CUMARU

Grain of Distinction

Cumaru, also known as Brazilian Teak, *Dipteryx Odorata* and *Tonka*, is an exceptional hardwood prized for its versatility and remarkable qualities. Ideal for exterior applications such as decks and cladding. Cumaru enhances outdoor spaces with its rich golden tan to reddish-brown hues and dark grain accents.

Its natural resistance to rot, decay, and insect infiltration makes it the perfect choice for decking & cladding and more!

CUMARU

TROPICAL PRO™
SUSTAINABLE DECKING AND CLADDING

Grain of Distinction

As a cost-effective substitute for Mahogany, Itauba offers excellent quality for those seeking a durable, visually appealing wood at a lower price point, perfect for decking, cladding and more.

EXTREME HARDNESS & DURABILITY:

Cumaru's strength makes it perfect for high-traffic outdoor spaces, ensuring long-lasting performance in challenging environments.

NATURAL RESISTANCE TO ROT AND DECAY

Naturally resistant to rot, decay, and insects, Cumaru is a low-maintenance option for durable outdoor projects.

50+ YEAR LIFESPAN

With a lifespan of over 50 years, Cumaru offers lasting durability without the need for preservatives.

RICH AESTHETIC APPEAL

Cumaru's golden tan to reddish-brown hues and dark grain accents add a luxurious, exotic look to any space.

COST-EFFECTIVE

Cumaru delivers the elegance of teak at a fraction of the price, providing great value for a wide range of projects.

SUSTAINABLE AND ECO-FRIENDLY

Responsibly sourced from managed forests, Cumaru is a renewable, environmentally friendly choice.

Natural Color When Installed

Cumaru's natural golden tan to reddish-brown hues, with dark grain accents, bring a vibrant and inviting warmth to any space.

Oiled tone

Oiling deepens Cumaru's colors, enhancing the golden and reddish shades while adding a smooth, glossy finish for extra protection.

Left Unoiled to Weather Naturally

Left untreated, Cumaru naturally weathers to a silvery-gray patina, giving it a rustic, timeless look that blends seamlessly with outdoor environments.
