

TROPICAL PRO™

ACCESSORIES

PROFESSIONAL GRADE

The ultimate choice for
flawless installation of your
premium wood products.

Designed for durability and precision, our
accessories ensure a seamless fit and
long-lasting performance.

Premium Tropical Pro™ Maintenance Products and Accessories.

TROPICAL PRO™ ACCESSORIES

PROFESSIONAL GRADE

When it comes to Tropical Pro™ Decking and Cladding, maintenance is choice.

Tropical Pro™ wood products can be left to weather naturally to a grey patina, or oiled to preserve the woods rich natural colors. Periodic use of Tropical Pro™ Cleaner, Brightener and Oil will maintain or restore Tropical Pro™ Wood Decking and Cladding at any time.

Professional-Grade Tools

Tropical Pro™ tools are designed for durability and precision, ensuring smoother installations without the hassle of frequent replacements or hardware store trips.

Long-Lasting Fasteners

Made from high-grade stainless steel and military-grade polymers, our screws and fasteners are built to outlast the deck itself, ensuring long-term reliability.

FINISHES

CLEANERS

Built for Pros. Built to Last.

We understand that your deck is an investment—both in time and money. That's why our Tropical Pro™ tool kit offers everything you need for a seamless installation.

With professional-grade tools and bits sourced from the top manufacturers, you'll have the power to tackle any job without unnecessary trips to the hardware store.

Screws and Fasteners You Can Trust

Screws and fasteners are made from high-grade stainless steel and advanced military-grade polymers, ensuring your deck stays secure for years to come. Why risk using fasteners that wear out before the deck itself?

With Tropical Pro™, your fastening systems will outlast the wood they're built into—giving you peace of mind with every installation.

More than just wood

Tropical Pro™ Accessories complements the high end premium grade architectural quality of our Tropical Pro™ Decking and Cladding Wood Products.

The Tropical Pro™ brand is synonymous with sourcing the highest-quality and most sustainable outdoor wood products available on the market.

Our Tropical Pro™ **professional-grade accessories** have been designed to protect owner investments with the professional deck builder in mind.

Streamlined Accessory Kits

Our simplified accessory program gives you only what you need—efficient, no-nonsense kits that save time and reduce waste on the job site.

Low-Maintenance Options

Choose natural weathering or maintain your deck's original beauty with our premium wood cleaners and oil finishes. The choice is yours, based on your preference.

FASTENING SYSTEMS

Less Clutter, More Efficiency

We know deck building should be efficient. That's why our Tropical Pro™ accessory program keeps it simple. Everything you need is available in square foot coverage kits, plus a few essential bulk items.

No overcomplicating—just the right tools and accessories to get the job done right.
